DWAS year end awards:

This farmtrial will count toward the DWAS year end awards.

DWAS donates a special price for:

Highest combined farmtrial Aussie

Highest combined scores of 3 runs
on three different kinds of stock! (duck, sheep, cattle or mix)

Ending with equal points then in the following order:

- The highest score wins
(i.e 50% average based on 60% + 40% beats 50% + 50%)

- The highest cattle score

- The highest sheep score

- The highest duckscore

- The highest mixscore

- Pulling a name out of a hat.

(Aussies eligible have registration numbers starting with E,N,F or I)

other loose eyed breeds also participate for this award

This award is clearly for other loose eyed breeds, so breeds labelled as strong eyed do not compete for this price.

In case the dog is a mix between strong eyed and loose eyed, the DWAS board gets to decide whether it can compete for the prize or not.

Note: a HCT or JCT is not a score. In case a dog has e.g. 2 scores and a HCT, there will be no combined score.

Data Protection:

Due to the GDPR (General Data Protection Regulation), each DWAS member and each trial participant must agree to the processing of his personal data. This approval is to be granted once and serves to ensure the fulfillment of the objectives of the DWAS.

The completed (pdf with text entry) and signed statement is, if not yet submitted in a previous trial, to be added to the trial entry, see <http://www.dwas.nl/de-club.html>
